Be A Gold Digger:

A Girlfriend's Guide to Striking It Rich in Real Estate

"A Hostess Party for the Wealth-Driven Woman (and her friends)"

In 1848, the first discovery of Gold was found in California. Ladies, now its your turn to learn how to mine for your Gold in California's Real Estate Market.

There isn't a better place to learn about real estate investing than with your friends. This seminar is designed to education women about the benefits of financial independence through home ownership

As a "Strike It Rich" Hostess, you can have a ladies night out while growing your knowledge of the real estate market. A "Strike It Rich" party is like having a premiere wealth building session come directly to you in the comfort and privacy of your home! I will be available to answer all your questions, privately consult with you and your guests, educate, and entertain you.
